COMMUNITY HEALTH WORKER
Bridging Health: The Vital Role of Community Health Workers

Lactation Support for Health Workers

.....

This course, provided through Lactation Education Consultants, is a follow up for those who attended the Lactation Support for Health Workers Training held in April and July of 2024. This will be an interactive workshop to discuss concerns CHWs have found working in the field with moms who are breastfeeding. This workshop will arm CHWs with updated information to provide education in their communities.

Date and Time: August 21, 2024
1:00 PM-4:00 PM

Cost: \$100 per person

This workshop is only open to those who will completed or already completed Lactation Support for Health Workers in April, May, June, or July. You must be a CHW to apply for a HRSA stipend to assist in the completion of this training.

Funding provided by HRSA grant 22-124; Community Health Worker Training Program for CHWs who are eligible for stipend/tuition coverage
