Webinar: The Importance of the Flu Vaccine

December 8, 2015
12pm-1pm (central time)

Register today: http://tinyurl.com/2015Webinars

L.J. Tan, MS, PhD, Immunization Action Coalition
- The importance of an annual influenza vaccination
- Influenza activity for the 2015-2016 influenza season
- Identifying those at risk for influenza and its complications

Shelle Allen
- Mother of Madison (“Madi”) Allen, shares her family’s experience with influenza
- Shelle is a member of Families Fighting Flu. Hear her story!

Influenza causes more hospitalizations among young children than any other vaccine-preventable disease. Every year, children die in the United States from influenza and its complications.

This webinar series has been approved for CME credit. Professionals who complete all portions of this activity can claim up to 1 AMA PRA Category 1 Credits(s)™ and/or up to 1 Continuing Nursing Education credit(s).
